EMPOWER YOURSELF!

Jones and Bartlett Publisher's exclusive *100 Questions & Answers* series combines the expertise of physicians and nurses with a patient's point of view providing authoritative, practical guides on a variety of diseases, medical procedures, and health conditions. Each book in the series covers basic questions about a disease or health topic including: risk factors and causes; prevention, screening, and diagnosis; available treatments and how to choose among them; and ways of coping with common emotional and physical difficulties associated with diagnosis and treatment.
